FUNDING

NIH Funding: Medical Research Advocacy Community Ask for FY 2021⁴

ARIZONA MEMBER CENTERS

The University of Arizona Cancer Center

The **UA Cancer Center** is a leader in research on women’s cancers (breast, ovarian), men’s cancers (prostate), gastrointestinal cancers (colon, pancreas, and liver), lymphoma, and skin cancers, and is home to one of the largest cancer prevention and control programs among the nation’s comprehensive cancer centers.

Mayo Clinic Cancer Center, Arizona

Mayo Clinic Cancer Center was one of the first cancer centers to receive the NCI designation in 1973 and is an NCI-Designated Comprehensive Cancer Center with three geographic sites, including one in Phoenix/Scottsdale, Arizona. Mayo Clinic’s culture of collaboration and teamwork speeds the transformation of laboratory discoveries into lifesaving treatments.
