FUNDING

Continuing the Momentum, Seizing Scientific Opportunities, and Meeting Our Nation's Health Needs⁴

Funding amounts are in billions.

MEMBER SPOTLIGHT

University of Colorado Cancer Center

The **University of Colorado Cancer Center** is the only NCI-Designated Comprehensive Cancer Center in Colorado. With nearly 300 scientists and clinicians, its consortium brings together the majority of Colorado's NCI-funded researchers at three academic institutions and three health care delivery organizations. The center's experts work in multidisciplinary teams to provide personalized medicine through clinical trials and cutting-edge treatments, with internationally-recognized expertise in the treatment of pancreatic, gastrointestinal, lung, breast, leukemia, melanoma, sarcoma, and prostate cancers.
