FUNDING

NIH Funding: Medical Research Advocacy Community Ask for FY 2021⁴

MEMBER SPOTLIGHT

UMMC Cancer Center and Research Institute

The **UMMC Cancer Center and Research Institute** (CCRI), part of the state's only academic medical center, fulfills multiple roles in the state's cancer care. The CCRI is a referral site for complex and unusual cancers in Mississippi including Phase I trials, some surgeries, and radiation oncology Gamma knife therapies. It is also Mississippi's primary site for training in adult and pediatric hematology and oncology; radiation oncology and radiation oncology physics; and adult and pediatric oncologic surgery.
