**VIRGINIA MEMBER CENTERS**

**The University of Virginia Cancer Center**

UVA Cancer Center was founded in 1984 and received NCI designation in 1987. Center members draw on the deep resources of the University of Virginia to identify, analyze, and validate some of the most significant targets for cancer therapy, diagnosis and prevention, and to speed their translation to clinical application.

**VCU Massey Cancer Center**

VCU Massey Cancer Center, an NCI-Designated Cancer Center, conducts basic, translational, clinical and population sciences research; provides state-of-the-art cancer treatments and cutting-edge clinical trials; serves as a vital resource for oncology education, teaching and training; and promotes cancer prevention.
